UPHOLDING
MENTAL HEALTH

A Memorable May

Mental Health Awareness Month was full of events raising funds and support for Mirci.

Named Richland County's Organization of the Month, Mirci Board of Directors and Executive Management were presented with a resolution by County Council.

Mirci Clinicians May Kirby and Kimberly Baker presented at two Employee Lunch and Learn sessions hosted by the Richland County Public Information Office. The sessions were attended by more than 80 employees combined, and provided valuable insight into mental wellness practices and community needs.
